Only A Hero

Music and Lyrics by Peter Tam copyright © 1997

You care; about others as yourself

And the meaning of the truth and nothing else

Your inspiration rises, keeping our hopes up high

There's a vision you can see, be what you want to be

(CHORUS)

Only a hero, a hero you

(Bridge)

B F D m G C

It's the hero within you, which gives you the strength that you need.

E B G m C C sus4 C

The desire to succeed is all a hero would need

(CHORUS)

Only a hero, a hero you
