Music & Lyrics By Peter Tam, Copyright © 1998

A
When you're feeling down
 D
You got the gooneys around
 A D
And you are moaning, about your brain

A D
Just stand right up, put your tears in a cup
 G A D
And pour it all down the drain

A D
The sky is cloudy, the weather is lousy
 A D
You think its going to rain

A D
You're feeling restless; it's to test us
 G A D
See if we can, bear the strain

(CHORUS)

G D
Just do that little exercise
 C G
Get your body and mind in gear
 G D
The only way to win the prize
 C G
You know that the buck stops here
 A D G D
So let's go, work it out
 A D G D
So let's go, work it out

Work it out

Music & Lyrics By Peter Tam, Copyright © 1998

**Every morning comes
You are trapped in your slum
You just didn't feel like going to school**

**But there are things to do
And it's up to you
How you gonna be learning the golden rules**

**It can't be done quick
You want to make it stick
Just take it in a step at a time**

**You ain't got no worry
Cause you not in a hurry
Just go with your rhythm and rhyme**

(CHORUS)

Just do that little exercise
