F C G C

Blue sky and sun shine

F C G C

A beautiful day and I'm feeling fine

F C G C

Warm days we go out to play

F C G C

Leave the video games and the TV behind

(CHORUS)

F C G C

The All Natural, Natural, Natural kids

F C G C

The All Natural, Natural, Natural kids

F C G C

They're every where, every boy and girl

F C G C

Laughing and playing in a Natural World

Sleep tight, eat right

Vegetables and protein is in every bite

Speak out, Hey "twist and shout"

Singing this song as we go flying our kites

(CHORUS)

All Natural, Natural, Natural kids

(Instrument Solo)

(CHORUS)

All Natural, Natural, Natural kids
